

DIRECTORS OF BAJAJ FINSERV HEALTH LIMITED

Devang Mody Managing Director & CEO

Devang Mody joined Bajaj Finance in 2008 and moved on to lead Bajaj Finserv Health - a health-tech company, in 2019. From the company's most popular credit offering - 0% EMI loans for Consumer goods and other segments to its EMI cards, Devang has led several key digital initiatives at Bajaj Finserv. As the CEO of Bajaj Finserv Health, he created the 'Aarogya Care' - a unique healthcare product covering Health Insurance, OPD, Labs, Loyalty and Application benefits.

Devang is passionate about solving real-life problems at scale and believes that technology is the enabler in making this a reality at a much lower cost. He says, "If passionate people are guided to achieve objectives, which can impact society positively, a scalable business model can be created."

Devang is a Wharton alumnus and a Chartered Accountant. Before working with Bajaj Finserv, he was associated with General Electric Money, where he held varied roles spanning six sigma, cross-sell, product management and business development. He was also involved in Business process Re-engineering for Petrochemical, Cement, and Software services customers at Ernst & Young.

Rakesh Bhatt
Chairman & Non-executive Director

Rakesh Bhatt was the Executive Director at Bajaj Finance Limited and a member of the executive management team. As the Executive Director of the company, he oversaw the functional responsibilities of Technology, Operations, Digital Platforms, and Legal. He was also responsible for driving sustainable growth for all the strategic initiatives of the company. Rakesh's journey in the Bajaj Finserv group of companies started in 2009. He was the Chief Operating Officer at Bajaj Finance Limited until 2018 and led a large portfolio of critical functions, including Technology, Analytics, Credit Operations, Customer Experience, and Quality. He was the CEO of Bajaj Finserv Direct Limited for four years and spearheaded the launch of a diversified digital marketplace business (Bajaj Markets) in Financial Services and e-commerce.

In his earlier assignments, Rakesh held leadership positions in reputed companies such as AIG Consumer Finance, GE Money, Reliance Industries, and 3i Infotech. With an M. Sc. in Computer Applications, Rakesh brings to the board three decades of rich industry experience and technical know-how to further the company's transformative efforts of bringing financial services solutions closer to consumers.

Jasmine Chaney
Independent Director

Ms. Jasmine Chaney is a commerce graduate from Sydenham College and holds a master's degree in management studies in Finance from Somaiya Institute of Management Studies and Research, Mumbai University.
